MANN & GRAY

INSURANCE ASSOCIATES

Mann Insurance was formed in 1979 to broker life and health insurance. Two years later property and casualty were added to provide full insurance services to our clients. In December 1989, we moved from downtown Salisbury to our own building in Fruitland. In 1996 the Fruitland Chamber of Commerce named us “Business of the Year” and the following year we opened a branch office in Ocean Pines.

Charlie Gray purchased a share of the agency in 1998 and our name changed to Mann and Gray Insurance Associates, LLC. In 2008 we again were recognized as “Business of the Year” by the Chamber of Commerce.

We write business in the following areas: Auto, Life, Boat, & Home. We package policies for Business Owners, Contractors, Flood and Farm.
