Dear Homeowner,

The City of Fruitland's sanitation department will no longer perform the city's trash collection operation, the Chesapeake Waste Company has been contracted to perform this task, beginning on Monday, November 9, 2020. Prior to that date, you will receive a new 96 gallon container, assigned to your address, which is to be used for trash collection. If your original trash collection day was on Monday, Tuesday or Thursday, that will remain the same. Trash will no longer be collected on Wednesdays; those residents' trash collection route will be divided between Thursday or Friday. Please see the attached collection schedule, along with the Holiday schedule to note your specific day as it relates to your street name. If you have any questions or concerns, please call me at 443-869-0158 or by email at mgibbons@cityoffruitland.com. Thank you in advance for your cooperation in this matter.

Sincerely,

Mike Gibbons
Director of Public Works
City of Fruitland
